

We're starting off this summer series with a scavenger hunt! This week, can you find everything on the list?

ZoFo Connect

June 5, 2020

Can You Find Me?

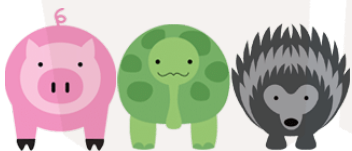

- Any animal in your neighborhood
- Someone doing a kind act for another person
- A plant or tree you've never seen before
- An item that can be reused or recycled
- A cloud that looks like an animal
- Five different types of trees
- A person drinking from a reusable water bottle
- A flying insect
- Someone showing kindness to an animal
- A person planting a garden
- A purple wildflower
- A person picking up trash

Did You Know?

There is an estimated 3 TRILLION trees on Earth. That means there are more trees on Earth than there are stars in the Milky Way galaxy!

We'd love to see you completing the activities! If you would like, please share a picture of your scavenger hunt that we can share on social media! Please e-mail pictures to: zoologyfoundation@gmail.com
